¡Felicidades por la nueva etapa que hoy comienzas!

Finalmente llegó el día que tanto anhelaste, concluyes exitosamente tus estudios, sabemos que has puesto empeño, entusiasmo, dedicación y confianza para cumplir esta importante meta en tu vida.

Durante todo este tiempo que viviste en el TEC diversas experiencias retadoras, que te conectaron, te relacionaron y te pusieron en contacto con el mundo actual, además construiste vínculos y estrechaste lazos con tus profesores, compañeros y colaboradores de nuestra institución.

De la misma manera tuviste la valiosa oportunidad de aprender innovando, rompiendo paradigmas, desarrollando diversas habilidades, destrezas y actitudes las cuales te permitirán ser más competitivo para enfrentar los retos del futuro.

Ahora más que nunca estamos llamados a ser protagonistas de la transformación social y para cumplir este propósito, debemos mirar a nuestro interior considerando que la prioridad es el ser humano.

La generosidad es un rasgo distintivo de ustedes los jóvenes, por tal virtud los invito a mantener dicha cualidad a lo largo de su vida. La gratitud es una de las mejores cualidades del ser humano por ello no olvides agradecer a todas aquellas personas que directa o indirectamente te brindaron su apoyo incondicional a lo largo de esta importante etapa.

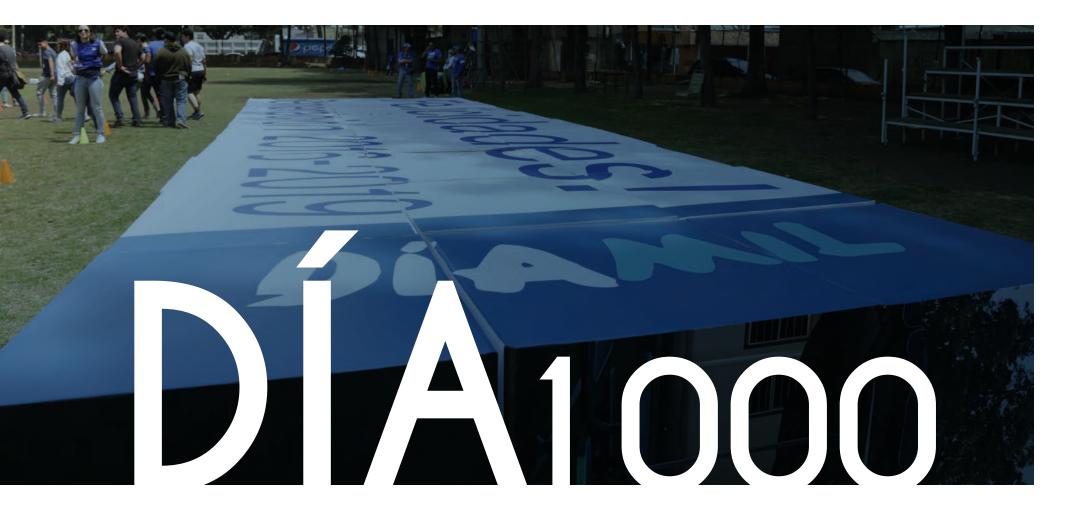

Sigue cumpliendo tus sueños, vive tu vida de manera extraordinaria, continúa aplicando tus conocimientos en aquellos proyectos que generen valor tangible e impacten positivamente tu entorno.

Vicepresidente Región Ciudad de México

El Día 1000 es un evento destinado a los alumnos de sexto semestre que, como candidatos a graduar, están próximos a concluir una de las etapas más significativas. Los alumnos fueron recibidos en el Tec con la bienvenida del Día 1, que reflejó el inicio de la Preparatoria; el Día 1000 marca el trayecto de los días cursados y busca crear un cierre a la vivencia de la Preparatoria.

El Día mil está marcado por tres ejes fundamentales: celebración, reconocimiento y agradecimiento y, a través de diversas actividades, se busca que cada componente eje sea vivido al máximo por el alumno en compañía de sus profesores.

Es un momento para la celebración de la trayectoria de cada uno de los estudiantes y se abre un espacio para la convivencia; es una fecha para reconocer las experiencias, mejores resultados, esfuerzos y aprendizajes; un día de agradecimiento en el que los alumnos reconocen publicamente a sus profesores y familiares que los acompañaron e impulsaron en el camino.

Alumnos, junto con sus familiares y el Tec hacen del Día 1000 un cierre significativo en una de las etapas más importantes de sus vidas.
